Preamble

Since its inception in 1978 the Teaching Support Staff Union (TSSU) has been guided by inclusive and feminist principles and has endeavored to recognize the diversity of its membership through its words and actions. The TSSU continues to recognize and work to counter institutional sexism as it is practiced in higher education and organized labor.

As the governing document of the TSSU the By-Laws have reflected these commitments, especially through the use of pronouns. In previous iterations of the By-Laws, the pronouns she/her/hers preceded the pronouns he/him/his in order to highlight and challenge dominant habits of male privilege. (e.g. By-Law D.1. “When a Member becomes unemployed she/he shall retain full membership rights for two full semesters...”)

However, the TSSU recognizes that the use of such pronouns suggests a binary conception of gender, thereby excluding members who do not identify in this way. The inclusion of nouns where possible (e.g. ‘member’, ‘Chief Steward’, ‘SO’), and gender neutral pronouns elsewhere (e.g. ‘they’, ‘them’), better embodies the TSSU’s commitment to feminist principles in representing all of its members as they choose to be represented. Furthermore, this aligns with principles of trans-inclusive feminism.

The TSSU recognizes the necessity of accurate pronoun usage. This issue can seem unimportant for those who are automatically addressed with the correct pronouns, but for those who must carve out space and constantly work to be addressed with appropriate pronouns, this issue is far more significant. To this end, the TSSU habitually provides a space in its meetings and events for pronoun declaration with the intention of normalizing the practice.

TSSU By-Laws

A. Name

This Union shall be known as the Teaching Support Staff Union, hereinafter referred to as “TSSU.”

B. Objectives

The objectives of the TSSU shall be:

- (a) To bring about improvements in working conditions, fair wage standards and to assure uniform job classification with equal pay for work of equal value for all employees, regardless of sex, gender, sexual orientation, psychiatric or psychotherapeutic treatment, skin colour, race, religious or political beliefs, national origin, whether they are part-time or full-time workers, whether or not they are part-time or full-time students, and whether or not they have children and/or dependents.
- (b) To encourage in every way possible the unionization of unorganized workers.
- (c) To defend and extend full trade union rights to all workers.
- (d) Within the community the union shall work for the establishment of political, social and sexual equality, for equal pay for work of equal value, for free accessible education facilities, for free accessible childcare facilities, for adequate and fully paid parental leave, for recreational and cultural development, for community health services, and for adequate and affordable housing.

C. Jurisdiction

The jurisdiction of TSSU shall include but not be limited to full-time and part-time support teaching staff and Sessional Instructors at Simon Fraser University.

D. Membership

1. Each employee in the bargaining unit shall be deemed to be a Union Member unless opting out of membership by written notice to the Union before the end of the fourth (4th) week of appointment. Each Union Member will thereby agree to comply with the aims, principles and policies of the TSSU, and shall be entitled to full membership status. When a Member becomes unemployed that Member shall retain full membership rights for two full semesters following the last semester worked. Members unemployed for more than two full semesters from their last dues payment, and others not employed in the bargaining unit, may maintain membership rights by paying three dollars (\$3.00) per month, or twelve dollars (\$12.00) at the beginning of the semester for a period of four (4) semesters. After this period, members are prohibited from holding office and/or membership in Standing Committees, and shall retain no voting privileges.

2. Salaried Officers pay dues and shall be considered members of the Bargaining Unit, for the purposes of membership in the Union, for the duration of their term in office. For the purposes of membership, Salaried Officers shall also be entitled to the further two full semesters membership. Following this two full semester period, they may maintain their membership (up to) a further sixteen (16) months by paying to TSSU three dollars (\$3.00) per month or part thereof.
3. A person shall not use coercion or intimidation of any kind that could reasonably have the effect of compelling or inducing a person to become or to refrain from becoming or to continue or cease to be a member of TSSU.

E. TSSU Executive

The Table Officers of the TSSU shall include the following: Chair, Secretary, Treasurer, Trustee I, Trustee II, Organizer, Coordinator, Chief Steward I, Chief Steward II, Ex-Officio Officer, and MMC Commissioner.

F. Election of Officers

1. A nominee for any office must be a member in full standing of the TSSU.
2. Nominations for Coordinator, Chair, Trustee I, MMC Commissioner, Chief Steward I and the OH&S Commissioner shall commence at the September General Membership Meeting (hereinafter referred to as “GM”) and close at the October GM. Nominations for Chief Steward II, Organizer, Treasurer, Secretary, Ex-Officio, Trustee II, and Solidarity & Social Justice Commissioner shall commence at the January GM and close at the February GM. The Ex-Officio Officer will have served on the Executive any time during the previous twelve (12) months. At least fourteen (14) days prior notice of the election shall be given to the Membership. The person receiving the largest number of votes, for a given position, shall stand elected for that position.
3. The two (2) Trustees shall be responsible for the fair conduct of the balloting in all TSSU elections. In the event that a Trustee is running for office and is therefore not available to act as a Returning Officer, the Executive shall appoint a Returning Officer accordingly. No member standing for office in an election shall be eligible to act as a returning officer in that election. Each candidate shall be allowed one (1) scrutineer (not the candidate) at the ballot count and, if polling stations are used, at each polling station. The results of the balloting will be announced as soon as possible after the election. All contested Executive/Commissioner elections shall be decided by ballot, through polling and/or online voting. The Executive, in consultation with the Trustees, will decide the voting procedure to be used during elections. The Union shall hold regular Fall and Spring elections by ballot. For by- elections, in the event that there are no contested positions at the close of nominations, the GM may vote on whether to have the candidate/s ratified at that GM or to conduct a yes/no ballot through polling stations or mail-out ballots. If the GM elects to ratify the candidate/s, a further

individual ratification vote shall be conducted at that GM for each candidate, even if there is only one position to be ratified.

4. Those Executive Members elected in the Fall shall take office at the start of the last full work-week in November, while those elected in the Spring shall take office at the start of the last full work week in March, unless a protest is lodged under F.5.
5. Any protest alleging “unfair ballot” or other irregularity must be presented in writing to a Trustee(s) of the TSSU within seven (7) days of the results of the balloting being announced. Upon receipt of such protest the TSSU Executive shall investigate the matter. If the protest is found to have substance, another ballot shall be conducted. All ballots and voting lists shall be held by the Trustees for a reasonable period of time after the election. A motion to destroy the ballots shall be in order at a subsequent TSSU GM no less than one month following the announcement of the results.
6. Union members shall annually elect one (1) Steward to represent up to twenty (20) employees in each department or in each Faculty in which there are no departments. Departments which exceed twenty (20) employees may elect an additional Steward (*i.e.*, up to 40 employees - two (2) Stewards, etc.).
7. No candidate may be elected to any office who is not present at the nominating meeting unless written consent to serve in the office if elected is presented to the Officer presiding over that meeting at the time of nomination.

3. The TSSU Executive shall meet at least monthly at the call of the Chair or of any four members of the Executive, subject to G.1. The quorum for business at any TSSU Executive Meeting shall be a majority of the members of the Executive and a majority of votes cast on any matter shall be decisive.
4. Meetings of Committees shall be at the call of the Chairperson of the Committee, of the TSSU Chair, or of a majority of the members of the Committee concerned. The quorum for business of any Committee shall be a majority of its members, and a majority of votes cast on any matter shall be decisive.
5. Meetings of the Stewards shall be at the call of the agreed upon Chief Steward (as stipulated in G.4) or of any two (2) Stewards. The Stewards may decide to hold meetings on a regular basis. The quorum for business at these meetings shall be one-third of the Stewards.
6. At the February GM, the projected budget shall be presented by the Finance Committee for debate and approval by the General Membership. Any major changes in the categories, priorities, and amounts outlined in the budget in the ensuing year must be reported to and receive the approval of a GM for which notice of the budgetary decisions to be made has been given to the membership.
7. No motions shall be made “in camera”.

K. Dues and Finances

2. The TSSU shall have the right to levy on its members for special purposes, one assessment per year per member of a maximum of ten dollars (\$10.00) which must be approved by a two-thirds (2/3) majority vote of the members at a TSSU GM, provided notice of the vote has been given at least fourteen (14) days prior to the meeting. Further assessments require approval by a referendum vote.
3. All monies in the hands of the Treasurer shall be deposited in the name of the TSSU, and a complete record of all monies received and paid out shall be kept.
4. 7% of annual Union dues shall be put into the strike fund.
5. 4% of annual Union dues shall be put into the Contract Committee Fund. Money not spent in a negotiations year will be kept in the fund to cover the costs of future negotiations.

9. Under normal conditions, the Executive shall have the authority to spend a certain amount of money on any given item without first consulting the Membership. This amount shall be \$500 per item unless otherwise specified at the February GM where the annual budget is normally discussed. The Executive need not seek Membership permission to spend money for normal operating expenses such as printing meeting notices or consulting a lawyer for grievance work. The Executive shall also have emergency spending authority if and when the following conditions are met:
 - (a) An extraordinary situation arises which requires immediate action by the TSSU such that it would be inappropriate to wait and deal with it at the next GM due to time constraints and/or the need for secrecy; and
 - (b) The action is expected to directly benefit the Union or subset thereof or inaction is likely to cause harm to the Union or a subset thereof.

The action must be agreed to by two-thirds of the Union Executive. The Executive shall report the situation to the General Membership as soon as practically possible and when considerations of secrecy are no longer valid. It should be noted that this By-Law is subject to the conditions of By-Law P.

10. Hours of work, rates of pay and benefits for Salaried Officers and Stipended Officers shall be determined by the General Membership. However, in order to ensure that the Union is engaging in fair labour practices, once an Officer has accepted terms of employment (*i.e.* assumed their elected position) roll backs of salary, benefits, hours allotted, or stipend, cannot take effect until the end of an affected Officers' one-year term. Remuneration and paid hours of work can increase at any point in an Officers' term to reflect increases in workload or other changing conditions. However, in no case shall rates of pay for Salaried Officers or Stipended Officers exceed the highest rate of pay for TSSU members.
11. A motion to alter the hours of work, rates of pay and benefits (if any) of the Salaried and/or Stipended Officers can be introduced by any member of the TSSU. Such a motion can be introduced at any GM. Notice of motion must be included in the publicity for this subsequent GM.
12. From time to time the General Membership may create temporary positions and/or allocate funds for the creation of such positions. Individuals hired on a temporary basis shall receive benefits and rates of pay equivalent to that of the TSSU's regular Salaried Officers. Hiring of such temporary workers shall be in accordance with the terms set out in the TSSU's Hiring Policy.
13. Subject to the approval of the General Membership, and in the understanding that every attempt should be made to schedule union duties outside of bargaining unit responsibilities,

an Officer or Steward temporarily working on the legitimate business of the TSSU shall be paid at their regular Bargaining Unit job rate for any wages lost from their job.

L. Approval of Contracts

Any Collective Agreement must be approved by a majority of votes cast in a referendum of the Union Membership. The referendum shall be held in conjunction with a series of meetings to discuss the Collective Agreement, held at times and places such as to give all members concerned an opportunity to attend before they vote.

M. Strikes and Lock-outs

1. In order for a strike to take place, a majority of the members of the Bargaining Unit who vote must approve such action. Voting shall be by secret ballot. Job action shall not occur until after the election of a Strike Committee via the process outlined in Strike Policy.

N. Members' Rights

1. Every person has a right to the application of the principles of natural justice in respect of all disputes relating to:
 - (a) matters in the By-Laws of the TSSU, the person's membership in TSSU, or discipline by TSSU.
2. TSSU shall not expel, suspend or impose a penalty on a member or refuse membership in the Trade Union to a person, or impose any penalty or make any special levy on a person as a condition of admission to membership in the TSSU:
 - (a) if in doing so TSSU acts in a discriminatory manner or
 - (b) because that member or person has refused or failed to participate in activity prohibited by the Labour Code.

O. Duty of Fair Representation

1. TSSU shall not act in a manner that is arbitrary, discriminatory or in bad faith
 - (a) in representing any of the employees in the Bargaining Unit, or
 - (b) in the referral of persons to employment whether or not the employees or persons are members of TSSU.

P. Discipline

Any member of the TSSU shall have the right to prefer charges against any other member of the TSSU, including any or all members of the Executive, according to Section 14 of the Provincial Association Constitution. Charges can be preferred against any member, as soon as that member

has been informed in writing of the charges, and a record of this notification has been filed in the union office, who:

1. Violates any provision of the TSSU By-Laws.
2. Obtains membership through fraudulent means or by misrepresentation.
3. Fraudulently receives or misappropriates any funds or property of TSSU.
4. Acts in collusion with the employer with a view to:
 - (a) injuring the TSSU; or
 - (b) impeding the implementation of any policy of the TSSU.
5. Fails to act in accordance with any decision of regular or special GMs of the TSSU.

Q. Procedure

1. Except as otherwise provided in the TSSU By-Laws, Bourinot's Rules of Order shall govern the conduct of all TSSU Meetings and TSSU Executive Meetings.
2. Before initiation of debate on an issue, a clear statement of that issue must be made. If such a discussion does not appear to be leading to a specific resolution, then the Chair shall call for a clear statement of motion before that discussion may proceed. (This is different from the usage in Bourinot's rules.)
3. In order to expedite the amendment process, a "friendly" amendment is allowed. If an amendment is proposed which is found acceptable by the mover of the motion being amended, then this amendment is neither debated nor voted on. The amended motion is then treated as though it had been made by the mover of the original motion. If the mover of the original motion does not accept the amendment, then the regular amendment procedure is used. (This is not covered in Bourinot's rules.)
4. The motion known as "the previous question" is made during the course of debate on a main motion, or an amendment thereto, by a speaker who has the floor. If "question" is called, and the Chair is of the opinion that the issue has not been adequately discussed, then the Chair may disallow that motion. The motion must be seconded and may be debated, but may not be amended. "The question" must be dealt with immediately. If carried, a vote must immediately be held on the main motion or amendment. If the motion to call the question is defeated, debate on the main motion or amendment resumes where it left off. (This is different from the usage of "the previous question" in Bourinot's rules.)
5. Any of the By-Laws may be amended by a two-thirds majority vote at any TSSU GM. Notice of motion to amend the By-Laws shall be provided at the GM prior to the meeting at which they will be voted on. Notice of motion to amend the By-Laws should also be included in the publicity for the subsequent meeting at which the vote is to be held. The Membership

may decide, when presented with a proposed By-Law amendment or change that the proposed amendment is of such a substantive nature, or the issue being addressed is such that the entire membership should be given the opportunity to vote on the proposed amendment. In such a case any member present may propose, and the membership meeting then vote on, sending the proposed amendment to a referendum vote. This vote, to send an amendment to referendum, must pass by a simple majority. Should the membership meeting vote to send an amendment to referendum the By-Law change referendum question should be included in the e-mail for the next regularly scheduled election. This amendment must pass by simple majority. If the TSSU should conduct poll station balloting in the election then the referendum shall take place at that time and in that fashion instead of an online vote.

R. Conduct of Elected Officials

If, in a written complaint to the Executive, any elected Union Officials are alleged to be in any of the following situations, an ad-hoc committee consisting of an Executive Member, a General Member, and a Trustee (none of whom can be directly involved in the alleged situation) should be struck. After consultations with the persons involved, the Committee will make a deliberation on a) whether the Official was in the situation, and b) whether being in this situation is contrary to the interests of the Union. If the Committee answers yes to both of these, then appropriate remedies will be formulated. If deemed necessary by the Committee, this may include resignation from office.

1. During General Membership or Executive Meetings

(a) Supplying information about another Union member that was acquired through privileged access (*i.e.* not publicly available) and in a non-union setting.

(b) Introducing and providing background information for a delegate position during the same meeting where one stands for nomination to that position.

2. During Day to Day Union Business

(a) Allowing personal relationships to influence one to lower (or raise) one's standards with respect to products or services contracted for the Union.

3. When Union Members Also Have Concurrent Affiliations

(a) Union Affiliations

(i) Applying for a casual labour position in the Union while one is an Executive member.

(ii) Agreeing to represent the Union in an adversarial relationship in which a person with whom one has an ongoing close relationship is on the other side.

(iii) Being a member of an investigative committee whose subject is someone with whom one has an ongoing close relationship.

(b) Non-union Affiliations

- (i) When two or more members have mutual affiliations involving employee-employer relationships.
- (ii) If a non-union affiliation involves a management position on campus.
- (iii) Speaking or acting as a TSSU representative when not specifically asked to do so by the union. This may include introducing oneself as a member of the TSSU without stating non-representative status.

S. Staff

1. The Union shall employ a full-time Member Representative (35 hours/week). The TSSU Executive shall serve as the “employer” of the Member Representative on a day-to-day basis; however, any decision to hire or fire a Member Representative can only be done if there is concurrence on that course of action by a majority of both the General Membership and the Executive. The Chief Steward I shall be the Executive’s principal point of contact with the Member Representative.
2. The Member Representative, in collaboration with the Chief Stewards, shall be the principal person within the Union to handle grievances and prepare cases for arbitration, and perform research necessary to carry out these tasks. In all decisions made pertaining to grievances and arbitration, the Member Representative must consult with the Chief Stewards, who maintain authority on these matters, except, where appropriate, the grieving member. The Member Representative will respond to members’ questions related to their employment and the Collective Agreement. The Member Representative shall be responsible for reviewing and maintaining the contracts of TSSU members, and contacting departments to address any problems that arise from the contracts. The Member Representative shall serve as a non-voting member of both the Contract and Grievance Committees, and will keep an ongoing diary of contractual issues to be used as a resource by the Contract Committee. At the discretion of the other members of the Contract Committee, the Member Representative may be involved with bargaining. The Member Representative should principally work from the TSSU’s main office.
3. The first year of work as a Member Representative, beginning from the date of hire, shall be considered probationary. At the start of the second year, the TSSU General Membership will evaluate whether or not to sign a two-year contract with the employee. Once the employee has completed their third full year of work, that employee will attain ‘continuing’ status. At the point that this has been achieved, the General Membership will evaluate the employee’s performance on a three-year basis (i.e. the beginning of years four, seven, etc.). Unless significant problems are identified with the continuing employee’s performance, the General Membership shall ratify the employee for another three-year period. The employee shall have the right to speak to the General Membership at the meeting in which that employee’s continuation is discussed, although that employee should not be present when a vote is taken on the question.

An employee whose contract is not continued can initiate a one-time appeal to the General Membership. An appeal must be initiated within one week of the General Membership

meeting at which the decision was made not to continue the Member Representative's employment. If such action is taken, the Executive will immediately convene a meeting to review the appeal and prepare (i) a summary of the case, and (ii) a recommendation to the General Membership, which will consider the appeal at the subsequent General Membership meeting. The General Membership's decision on the appeal will be final.

4. The Member Representative is encouraged to pursue union representation. The level of pay and benefits shall be comparable to those outlined in the Salaried Officers Benefits Package. Additionally, subject to the terms established between the TSSU and the union representing the employee, the Union shall provide (a) full medical and dental coverage, (b) a maximum childcare expense of \$500 semesterly per child, (c) RRSP contributions at a level determined by the General Membership, and (d) five weeks of vacation per year.

TSSU Policies

By-laws: Policy for Updating of By-laws

Upon approval of a by-law or policy change the Trustees, exclusively, shall update the By-Laws and maintain a list of these changes with dates and references to the meetings in which these changes took place. The Trustees shall also ensure that every member of the executive receives a copy of these changes, and that general members have access to the most up-to-date copy of the by-laws, including a copy placed on the website.

*Ratified at 10-22-2009 GM
Amended January 2014*

Absentee Treasurer Policy

In the event the Treasurer is unable to attend for more than two (2) weeks, or if the position is vacant, the Coordinator shall be empowered to sign and issue cheques. Cheques issued under this policy shall be countersigned by any other signing officer. A full report of unusual disbursements shall be kept and provided to the newly-appointed Treasurer when appointed. In an emergency, any two signing officers may authorize a cheque without the Treasurer's presence or signature, provided that a report of the same is provided to the Treasurer immediately.

Ratified February, 2012

Code of Conduct

1. The Code of Conduct shall apply at meetings held by the TSSU
2. Violations of the Code of Conduct are to be brought before the Dispute Resolution Panel if necessary
3. The purpose of the Code of Conduct is to allow members to participate in the union without discrimination or prejudice, such that all members may engage in debate in accordance with Bourinot's rules.
4. All members in meetings shall:
 - a. Keep to the rules of order as established in the Union Bylaw "Procedure"
 - b. Maintain civil speech by debating ideas, not people
5. Nothing in this policy shall have the effect of restricting the right of members to hold, discuss or debate well-reasoned viewpoints where relevant, even where said viewpoints are unpopular or unusual. The TSSU reaffirms that free, open and vigorous debate are at the heart of any democratic, open and functional institution.

Ratified February, 2012.

Childcare Policy for TSSU Members

TSSU offers childcare subsidies to members attending TSSU meetings and events. TSSU will reimburse members for the cost of childcare up to an hourly maximum equivalent to the minimum wage. For meetings and events longer than 5 hours, receipts will be required. It is understood that the subsidy may not cover the full cost of childcare.

Committees Policy: Email Use in Committee Procedure

Purpose and Scope

The intent of this Policy is to set out guidelines restricting the use of electronic mail by TSSU Committees (including the Executive Committee) for decision-making purposes. In no way does the Policy seek to curtail Committee discussion and debate through the medium of electronic mail or otherwise. The Policy does not apply to General Membership meetings, as the General Membership is not considered to be a committee but rather a deliberative body.

Policy

1. In general, electronic mail shall not be deemed an acceptable surrogate for a regular, quorate Committee meeting.
2. Substantive decision (One may interpret as “substantive” any decision which would ordinarily require quorum as well as a duly seconded motion in order to be considered) of any Committee are to be made exclusively at quorate meetings, with the following exception.
3. In the event that extraordinary circumstances (e.g. extremely short notice, closure of the University, time-sensitive information) reasonably preclude the Committee from meeting, decisions made using electronic mail are to be permitted subject to the following conditions:
 - a. The discussion leading to the decision, as well as the decision itself, shall include all members of the Committee.
 - b. The appropriate mailing list (e.g. ir@tssu.ca) shall be used.
 - c. Any such decision requires a majority of Committee members to be in concurrence. Concurrence shall be designated by an affirmative statement sent to the appropriate mailing list.
 - d. The Committee Chair or the Chair’s designate (For Committees without a permanent Chair, the Committee shall designate a member for this purpose.) shall inform the TSSU Office in a timely fashion of any decisions taken under the auspices of this Policy.
 - e. Any such decision is to be ratified at the next regular quorate Committee meeting. The matter shall be considered “old business” and is to be considered ahead of any other business other than routine proceedings. The decision and relevant discussion leading up to said decision shall be read into the minutes of the next regular quorate Committee meeting.
 - f. Should any such decision fail to be ratified in the manner described above, the Trustees are to be informed immediately. The Trustees shall inform the Executive Committee of the situation.
4. No decision taken under Section 3, above, shall be deemed a meeting for the purposes of satisfying the requirements for meeting frequency set out in the *By- Laws*.
5. Subject to the approval of the Executive Committee, the Trustees shall be empowered to declare out of order any Committee decision taken using improper procedure.

6. Complaints involving this Policy are to be directed to the Internal Relations Committee (IRC) in writing. The IRC shall respond in writing within ten (10) business days. Depending on the nature of the complaint, the issue may be subject to the *Dispute Resolution Policy*.

Committees Policy: Executive Members on Committees

Executive Members on Committees Policy

All Executive Committee Members who are not a Salaried Officer must join at least two (2) committees (either internal TSSU committees, or as a representative for TSSU on an external committee) for the length of their tenure. Specific committee membership as directed by the by-laws is seen to fulfill this two (2) committee membership requirement.

Although membership on these two (2) committees is seen as a requirement of being a member of the Executive Committee, a stipend request for these and membership on any additional committees will be granted.

Ratified October 18, 2001

Amended January 2014

Revised: November 2014

Committees Policy: Removal of Volunteers

1. This policy exists to allow individuals to be removed from committees under certain circumstances, as enumerated within. The Union acknowledges that this may be periodically necessary where one or more individuals' behavior is actively disrupting the workings of the Union, placing the membership in danger, threatening to bring the Union into disrepute, or where a member is harming the Union by working in bad faith.
2. This policy may only be invoked if one or more of the following circumstances apply:
 - a. The individual has been ordered removed from a Committee under the Harassment Policy AND/OR
 - b. The individual has been ordered removed from a Committee under the Dispute Resolution Process AND/OR
 - c. The behavior of the member or members is actively impeding the ability of the Committee to fulfill its mandate
 - i. Notwithstanding the above, and in keeping with the Code of Conduct, mere opposition to an idea is insufficient grounds to invoke this policy. The TSSU respects the right of members to engage in structured, civil debate within the union in the development of policy and action; "disruptive" action thus must be in bad faith.
3. This policy may not be invoked to remove Salaried Officers or other Elected Officers or Members (including Stewards) from their positions.
4. Individuals should proactively disclose any conflict of interest they may feel concerns them, working within the definition given under the Dispute Resolution Policy.
5. Where threats have been made, the matter should immediately be referred to the Ex- Officio per the Harassment Policy.
6. Where the work of a Committee is both time-sensitive and mission-critical, the matter should be immediately and discretely brought to the attention of the Executive Committee.
7. Procedure
 - a. Where this is an outcome of the DRP, either directly or via a Code of Conduct violation, the DRP panel shall write a formal letter to the Executive, notifying them of the decision. One or more members of the DRP may be invited to the Executive Meeting for questioning if necessary.
 - b. Where this is an outcome of the Harassment Policy, the Arbiter shall issue the Executive Committee with a formal letter as above. If the Arbiter is external to the Union, rationale must be present in the report.
 - c. Where it is an outcome of neither the DRP nor the Harassment Policy, the Committee shall itself issue a letter to the Executive Committee, signed by no less than an absolute two-thirds majority of the Committee, explaining in detail both the situation and why the DRP has not been invoked.

- d. The Executive retains the right to deny the request without prejudice, recommend it to the DRP, or recommend other actions be taken.
- e. In the event a request is denied or a motion to make such a request fails, information pertaining to the request is to be destroyed or removed entirely to the Coordinator's domain. The member shall retain full rights on the Committee(s) served upon.
- f. If those involved (DRP, Exec or Committee) feel a full removal is not warranted, they may put the individual(s) named on probation for a period not exceeding one year. An individual on probation's behavior in the named Committee may be periodically monitored for continued problems, in which case the original body may vote to remove the member and submit a report on the same to the Executive or DRP Panel as necessary.
- g. In the event the removal succeeds:
 - i. If the removal arises from the Harassment Policy, the Arbiter may set a term for which the individual is removed. It has no ceiling, but any time over 1 year (2/3 the expected span of a Master's Degree) should be subject to periodic review
 - ii. Failing this, a removal order may not stand without review for a period of more than one year
 - iii. The Trustees are tasked with monitoring to ensure that the individual does not volunteer or do work for committees the individual is banned from.
 - iv. The individual shall be paid out the prorated amount of their stipend from the beginning of the semester until the proceedings began, calculated biweekly (e.g. $X/8$, where X is the amount of the stipend.)

*Original of June 13, 2001 repealed February 2012.
Replaced with above, February 2012.*

Dispute Resolution Policy

The Dispute Resolution Policy is not to be invoked in cases of harassment (see Harassment policy) or in criminal matters (seek appropriate body). The goal of the policy is to facilitate communication between members doing work for the union to come to an amicable resolution. The TSSU is committed to a mediation-based strategy for working through disputes between or among one or all of the following types of persons: salaried officers, executive members, stipended committee members and casual or work-study employees (who may or may not be TSSU members). The onus is on the involved member(s) to bring any dispute to the attention of the TSSU in a timely fashion, by contacting one or both of the Trustees, or another member of the Executive in the event that there are no Trustees. The process is verbally based to facilitate maximum flexibility to work through issues. Once a request for mediation is made, the Internal Relations committee shall strike a Dispute Resolution Panel (DRP). Individual meetings with the DRP will be used to discuss the issue and possible acceptable resolutions. Once the parties involved agree upon the basic principles of resolution, then a final, face-to-face meeting of all involved will be held to solidify the details. The DRP does not have the power to enforce any decisions. The purpose of the DRP is to simply make recommendations such that the parties can move forward with union business as soon as possible. In any case the TSSU reserves the right to refer complaints to another forum.

If at any point the DRP feels the problem is beyond the scope of their abilities, this issue shall be forwarded to the executive committee.

Membership of the DRP

The DRP shall consist of one general member or steward, one executive member, and one salaried officer. However, two out of three members will suffice to begin the resolution process. A general member's participation in the DRP shall qualify that member for a committee stipend of \$150 for up to 10 hours of work. Further remuneration may be proposed to the Executive.

Conflict of Interest

A member cannot be ratified to the Dispute Resolution Panel if they are deemed to be in a conflict of interest. The term conflict of interest is used in this policy in the traditional sense of if a member stands to gain in a monetary or material fashion from any resolution of said dispute they will be deemed in conflict. The intent of this policy is to assume the integrity of all involved and rely upon members to self identify any conflict, real or perceived, that they may have in regards to any dispute that is brought to the TSSU. Mere closeness does not necessarily fulfill the criteria for a conflict of interest owing to the tight-knit structure of the TSSU. The TSSU has the authority to appoint an alternate to the dispute resolution panel in the case of a conflict. In this manner, the timeliness of the dispute resolution will not be jeopardized due to unnecessary procedural difficulties.

Any alternate must be mutually agreeable to the parties in the dispute.

DRP Procedure

The aim of the DRP is to resolve any conflict in a timely manner. As soon as is reasonably possible the parties and the DRP should agree on a timeline. All parties must agree upon a timeline before proceeding with the DRP.

The timeline will include dates or deadlines for:

- 1) A scheduled individual meetings with the DRP
- 2) A meeting in which the DRP will deliberate
- 3) The appropriate time for the final face-to-face meeting with all involved and the DRP in which the DRP will issue its final report.

If any disputing party wishes to make a formal response to the DRP report, they shall do so in a timely fashion.

Evaluation

The Dispute Resolution Panel will do a one-month follow-up to evaluate the agreed upon resolution and the effectiveness of the process. This evaluation will be done separately with all parties.

It must be emphasized that, as the Dispute Resolution Panel is not a disciplinary mechanism, no binding resolutions may come out of the policy without recourse to the Executive Committee. All resolutions are ideally to be agreed upon without recourse to the Executive Committee and with the full, mutual consent of the complainant parties.

Originally ratified Feb 25, 2004.

Educational Resources Policy

Process

Skills development can take a variety of forms such as workshops, course work and conferences. Information about these opportunities should be widely announced in steward and other committee meetings with enough opportunity for interested members to participate.

Application by a member to have TSSU cover all or part of the cost of a particular opportunity will generally involve the preparation of a small paragraph. The paragraph should detail the particular course, workshop, conference, etc. that the member wishes to take, how they think it will benefit their activism within the union, and how they plan to take the work back to the union, i.e. giving a workshop, writing a newsletter article, etc. Essentially, the member needs to create a case for why and how this workshop, or other form of skills development, is important for them in their work with TSSU. The executive of the union will review all applications based on the priorities below and will notify applicants of decisions as soon as possible. All applicants are welcome to attend executive meetings in which funding applications are considered.

Upon the selection of the successful candidate, the executive will ensure that the candidate understands that materials obtained during skills development will be brought back into the union.

Priority

Acknowledging that not all requests for resources can be accommodated because of budgetary constraints, priority for funding applications usually will be given according to the following considerations:

For Salaried Officers, skills development to perform the work of the union position is a high priority.

For other members, skills development usually will be focused on those members who are active members in the union.

In the instance of a conflict of interest, the executive member will abstain from the decision making process. A conflict of interest includes, but is not limited to, the situations described in the TSSU By-Laws, Section II, R: Guidelines for Conduct of Elected Officials. For example, a close on-going relationship between a member of the hiring committee and an applicant would be considered a conflict of interest.

Elections Policy

Preamble

Many of the regulations surrounding election procedure are found in the By-Laws. This policy is meant to augment the By-Laws. In the event of a conflict between this document and the By-Laws, the By-Laws shall prevail.

Eligibility

1. No member shall run for an Executive position if that member has held that position for 2 or more years cumulatively.
2. No member shall run for any of the salaried officer positions if that member has worked as a salaried officer for 4 or more years cumulatively.
3. No member shall hold more than one Executive position simultaneously.

Responsibility

1. The Trustees or Returning Officer are/is responsible for ensuring that the ballots are secure during the polling period. The following techniques are recommended to ensure ballot box security:
 - a. The following techniques are recommended to ensure ballot box security when using paper ballots:
 - i. keep the ballot boxes in a locker, the combination to which is not known to anyone else, or
 - ii. seal the boxes with a sticker signed by the officer who closes the poll at the end of each day, or
 - iii. seal the boxes with a combination lock, the combination to which is not known to anyone else.
 - b. The following techniques are recommended to ensure secure electronic voting:
 - i. Use third party software/server with strong security which can automatically make the vote anonymous (ex. Lime-2013)
 - ii. During the voting period only the Trustee and/or returning officer have direct access to view the results, and add people to the voter list.
 - iii. The secret electronic ballots (also known as tokens) are sent via the software using employer derived email lists, plus those members paying voluntary dues.
2. The membership may appoint an Electoral Committee to assist the Trustees or Returning Officer in the election duties.
3. At the time that nominations are opened, the Trustees or Returning Officer must inform the Membership of the option to strike an electoral committee, of the relevant by-laws and other such matters of information regarding electoral regulations and procedures.

Campaigning

1. The TSSU executive will distribute to the Membership one copy of a statement from each candidate.

2. None of the TSSU office spaces, materials, computers or resources may be used for campaign purposes.
3. Candidates may not engage in negative campaigning. The Trustee or Returning Officer, whoever is appropriate, is empowered to prohibit any material deemed inappropriate.
4. Candidates shall not campaign or loiter near the physical polling stations during the polling period.
5. The TSSU executive shall not publicly support or campaign on behalf of any candidate.

Balloting

1. If paper ballots and polling stations are used for the balloting, then polls shall be open:
 - a. for 2 or 3 days at the Burnaby Mountain campus for a minimum of 4 hours per day during high traffic hours, and
 - b. a minimum of 3 hours at SFU Surrey during high traffic hours, and
 - c. a minimum of 3 hours at SFU Harbour Centre during high traffic hours.
 - d. If at any time we have members working remotely and it is not reasonable for those members to come and vote at Burnaby, Harbour Center or Surrey campuses, every reasonable effort will be made to mail out ballots to members working there 7 days in advance of the polls opening. Elections requiring the results from satellite campuses to declare a winner must wait 14 days from the end of the polls to allow for the mail in ballots to be received before a re-counting and declaring a winner. In the event that ballots cannot be mailed out 7 days before polls open the wait period before recounting close elections shall be 21 days
2. Using online voting and electronic ballots:
 - a. Electronic polls will deemed open upon the issuing of ballots
 - b. Polls shall stay open for at least 5 days
 - c. A trustee or returning officer shall make themselves reasonably available to add missing members to the online voters list (after verifying they are members) and deal with any problems which may occur with the online system.
 - d. If at any time online voting is not possible (due to vote security, union technical knowledge, server crash, etc.) and this will unreasonably delay the election then:
 - i. Paper ballots and physical polling stations must be used. Communication of the change in voting procedures will be done through an email to all members and through the Stewards network.
 - ii. See 1 above for paper balloting.
 - iii. a report as to the reason for the change and suggestions to fix the problem moving forward will be made at the next GM by the trustees and returning officer.
3. If there is only one candidate for a given position, a yes/no ballot shall be used. In the event that a majority of 'no' ballots are cast, or in the event of a tie, the position will remain vacant and the Trustees or Returning Officer shall re-open nominations for that position.
4. Where there are exactly two candidates contesting a given position, the candidate receiving the majority of votes cast will be declared the winner.

5. Where there are more than two candidates contesting a given position, an Alternative Vote system of balloting shall be employed. Each voter receives one ballot, on which the candidates are marked in order of preference. If no candidate receives the majority of the votes, the candidate receiving the smallest number of votes is eliminated, and any votes for the eliminated candidate are transferred to the next preference on the respective ballots. This process of recounting is repeated until one candidate receives the majority of the votes. See appendix if more details are needed.
6. In the event of a tie between two candidates, a General Membership meeting will be held within two weeks, where by a majority vote, the Membership shall decide between the two candidates.

Appendix for elections policy

The method of voting, counting and resolving ties shall be the same using electronic or paper ballots. Due to possible software constraints the formatting of electronic ballots may be different then described below.

1. Method of voting
 - a. Each voter shall have one transferable vote.
 - b. A voter in recording their vote on a printed voting paper
 - i. must place on their voting paper the figure 1 opposite the name of the candidate for whom they are voting;
 - ii. may indicate the order of their preference for as many other candidates as the voter pleases by placing against the candidates' respective names the figures 2, 3, 4 and so on.
 - c. A voter in recording their vote on a plain voting paper:
 - i. must write on their voting paper the name of the candidate for whom they are voting;
 - ii. may indicate the order of their preference for as many other candidates as the voter pleases by writing the candidates' names in order of preference.
2. Sorting the papers
 - a. The returning officer shall examine the papers and shall sort them into parcels according to the first preference recorded for each candidate, rejecting any that are invalid.
3. Counting the papers
 - a. The returning officer shall count the papers in each such parcel and shall credit each candidate with a number of votes equal to the number of valid papers on which a first preference has been recorded for that candidate.
 - b. If the vote for any one candidate equals or exceeds the votes of all the other candidates combined, that candidate shall be declared elected.
 - c.
 - i. If not, the returning officer shall exclude together the two or more candidates with the least votes if the total vote of such two or more candidates does not exceed the vote of the candidate next above, otherwise the returning officer shall exclude the candidate having the fewest votes.

- ii. The papers of the excluded candidates shall be transferred to whichever of the continuing candidates is marked by that voter as that voter's next available preference, and the votes thus transferred shall be added to the first preference votes of those candidates.
- iii. Any paper on which no further preference is marked shall be set aside as non-transferable and the total of such papers shall be recorded.

4. Ties

- a. If when a candidate has to be excluded, two or more candidates have each the same number of votes and are lowest on the poll, the candidate with the lowest number of votes at the earliest stage in the count, at which the candidates in question had an unequal number of votes, shall be excluded.
- b. If two or more candidates are still equal and lowest, the returning officer shall decide which shall be excluded.

5. Definitions

- a. The expression 'first preference' means the figure 1 standing alone opposite the name of a candidate or the name of the candidate given first in the list in order of preference by the voter.
- b. The expression 'valid voting paper' means a voting paper on which a first or only preference is unambiguously expressed.
- c. The expression 'invalid voting paper' means a voting paper on which no first or only preference is expressed, or on which any first preference is void for uncertainty.
- d. The expression 'continuing candidate' means any candidate not yet excluded.
- e. The expression 'next available preference' means a second or subsequent preference recorded in consecutive numerical order for a continuing candidate, passing over earlier preferences for candidates already excluded.
- f. The expression 'transferable paper' means a voting paper on which a next available preference is unambiguously expressed.
- g. The expression 'non-transferable paper' means a voting paper on which no next available preference for a continuing candidate is expressed, or on which any next available preference is void for uncertainty.

Executive Institutional Memory, Training, & Transition Policy

Preamble

The TSSU is a volunteer-driven organization with unavoidable frequent turnover. The continued strength of the organization is dependent on the ability of the collective to transition knowledge and experience. Training and facilitating transition are integral duties of all Executive Committee members and are included with the compensation set out in the bylaws and policies.

Supremacy

Where the following policy is in conflict with policies for Salaried Officers (SOs), the policy for SOs shall apply.

Process for Documenting Institutional Memory

Each Executive Committee member shall maintain an institutional memory document detailing the normal tasks, duties and projects for that member's role, as well as recommendations for effectively fulfilling that role. Updating this document shall be a regular duty of each Executive Committee member, and the status of each document should be reported to the Executive at least once a semester. Each outgoing Executive member shall review this document with their newly elected replacement during the period of training and shall provide an editable electronic copy of the document to the TSSU Executive mailing list within two weeks of the ratification of the election results.

Process for Training

Following the announcement of election results, outgoing Executive members shall make contact with their newly elected replacements within one week. All reasonable efforts shall be made to find a mutually agreed time for training within two weeks of the ratification of the election results.

If all reasonable efforts are made and fail to result in a mutually agreed time for training, then the Trustees shall delegate another current or outgoing member of the Executive, or a TSSU member who previously held the same Executive position, to conduct the training. If the training has been delegated, the person who conducts the training shall be able to claim the stipend associated with that training.

Process for Transition

Following the ratification of the new Executive, the previous Executive member shall immediately make all reasonable efforts to ensure the new Executive member has access to the resources of their position, including all electronic accounts. If access is not provided within one week of ratification, the Trustees shall make all reasonable efforts to provide the incoming Executive member with access to the resources of their position, including all electronic accounts.

4. The Representative and Alternate shall periodically present to the Executive & General Membership news of interest to the Union, seeking guidance.
5. In the event it is not possible to contact the TSSU membership before a vote is to be taken, the individual shall vote for what they believe will best serve the union and membership, and shall inform the TSSU Membership of this within 24 hours of the vote taking place.
6. GSS Representative and Alternate positions be eligible for stipends equal to the Steward semesterly amount, less the amount paid out by the GSS.

Harassment Policy (Internal)

1. Preamble

a. The Union recognizes that its members have the right to work in an environment free from harassment. Per the requirements of the laws of British Columbia, the TSSU Internal Harassment Policy sets out a framework for dealing with harassment occurring within the Union environment.

2. Limitations

- a. This policy does not apply to situations better served by external or other policies. These include, but are not limited to:
- i. Harassment not occurring within the Union between Union Members (consult SFU's Harassment Policy)
 - ii. Poor conduct or disputes which do not meet the definitions of harassment set out in this policy or under the laws of our jurisdiction, including but not limited to simple misbehaviour, personality conflicts, rudeness &c (see the Dispute Resolution Process and the Removal of Volunteers Policy)
 - iii. Cases of criminal misconduct (consult law enforcement)

3. Definitions

- a. **Harassment** is defined as deliberate actions which a reasonable individual ought to know to be unwelcome by the recipient and serve no legitimate, work-related purpose, directed towards an individual or individuals. (ii) Harassment may be, but is not limited to being done on the basis of any of the protected grounds of discrimination in the Human Rights Code of BC. These include race, sex/gender, sexual orientation, national or ethnic origins, religion, disability, marital status, political beliefs, possession of children, or conviction for an offense (summary or criminal) unrelated to employment.
- b. **Sexual harassment** constitutes a distinct category including (i) the use of real or perceived authority in procuring sexual favours; (ii) sexual advances with work consequences, actual or implied; (iii) sexual threats, abuse or intimidation of a verbal nature; (iv) unwelcome sexual remarks or questions; and (v) unsolicited and unwanted physical contact. The definition of sexual harassment is not intended to, nor shall it, interfere with normal interactions, social contact and relationships between consenting adults.
- c. **Union members** include anyone who held (at the time of the complaint) membership under section D of the By-Laws. Individuals hired in emergency situations, or by special acts of the General Membership to perform duties (e.g. of a salaried officer) are also considered "members" for the purposes of this policy.
- d. **Internal** means simply "between members" or "within the Union." Harassment may thus occur outside of the office.
- e. **Internal facilitator** refers to the Ex-Officio Officer of the Executive Committee as discussed in §G8.

4. Procedure

- a. The complainant shall contact the Ex-Officio assuming informal mediation (i.e. working it out, if possible) has failed.

- b. The Ex-Officio will hear each side of the story, calling back each person to address contradictions as required.
 - i. A face to face meeting is not required, but is an option if agreeable to all parties
- c. The Ex-Officio shall issue a report on the subject, in consultation with the Coordinator
- d. In the event the aforementioned procedure (4a-4c) is insufficient, or in the event that the Ex-Officio or Coordinator is involved in the complaint, or in the event that there is a clear conflict of interest with regards to the Coordinator or Ex-Officio and a named party, the process shall immediately move to 4e
- e. Should any of the conditions in 4d arise, an external mediator with labour/Union/harassment experience shall be retained by the Union, being paid out of the Arbitration or Professionals budget line items. A list of acceptable mediators is provided herein. The Arbiter will issue a report including their resolutions to the Coordinator. The conditions under which the Arbiter is hired or retained shall include the clause that the decision, findings and resolutions – which shall remain confidential – shall not and must not cause undue harm to the Union.
- f. The report shall remain on file with the Coordinator.

5. External Mediators

- a. These individuals form the list of mediators who may be employed
- b. This list may be changed by standard amending procedures from time to time
- c. The DRP may use another without recourse to (b) if the named individuals have retired or are unable to do so by virtue of illness or similar
- d. Names:
 - i. Zorica Bosancic – zorikab@shaw.ca (604-880-9841)
 - ii. Mike Dumler – mike@mdulmler.ca (604-340-6774)

Ratified February, 2012.

Hiring Policy

The work of the Hiring Committee Shall be guided by the following policy:

As a prelude to every Hiring Committee's work, the committee members should enter into a discussion about the principles of affirmative action and how they plan to implement those principles for the current hiring. The Hiring Committee shall have a set of selection criteria, a written hiring guideline, a reasonable time line and meeting minutes for use in the event of disputes. The selection criteria shall be prepared before the job is posted, and the content of the job postings shall match the selection criteria.

Affirmative Action

TSSU is committed to the principle of affirmative action and job postings will indicate the policy.

Affirmative action facilitates the involvement of members in the union regardless of, but not limited to, sex, sexual orientation, gender, age, marital status, physical disability, previous and current psychiatric or psychotherapeutic treatment, color, race, religious or political beliefs, national origin, whether they are a part-time or full-time student, and whether or not they have children and/or dependents.

The principles of affirmative action will be applied at every step in the hiring process.

Hiring Committee Composition

Hiring for the TSSU will be conducted with a minimum four member committee consisting of, but not limited to, one salaried officer, one Trustee (or one executive in the event that there is not a Trustee available) and at least two general members, who shall be eligible for stipend according to the union's stipend allocation policy. Without participation of general members, the Hiring Committee shall not conduct any key step in the hiring process. The structure of the Hiring Committee shall be maintained at all times throughout the hiring procedure and even if a member of the committee opts out, the committee shall continue and seek another alternate member to restore the structure of the committee as soon as possible.

Normally, the Hiring Committee shall be ratified at a General Membership meeting prior to the hiring process.

Advertisement

All the job postings shall be sent out at least 10 business days before the application deadline. No applications shall be accepted after the application deadline.

In every posting, there shall be included job duties listing the minimum qualifications normally expected for the position, duration of the hiring process, application deadline, possible interview dates, and contact information. It shall be clearly indicated in the postings that it is the applicant's responsibility to ensure that the Hiring Committee receives their application package. The Hiring Committee will comply with the TSSU Privacy Policy to protect the candidates' personal information. The applicants shall include only the photocopies of important documents in their application packages.

The applicant shall specifically inform the Hiring Committee of any difficulties in advance, e.g. schedule conflict that the applicant may encounter, to get reasonable adjustment for the interview.

To facilitate equitable participation in the work of the union, job postings should be sent to a number of constituency groups on campus including, but not limited to, TSSU members by emails and postings on union boards, Aboriginal Students Association, Association for Students of African Descent, Students of Color Caucus, Out on Campus, Women's Center, as well as the more traditional posting avenues, such as the PEAK, and campus TV displays.

Job postings will indicate that, the preference will be given to TSSU members and that volunteerism with TSSU is an asset. However, where continuity for long term service is desired, priority may be placed on candidates external to the membership.

Job postings will stipulate that TSSU uses affirmative action standards in all its hiring practices.

Confidentiality

The discussion of selection among candidates for any position shall be held in confidence by all members of the Hiring Committee.

Shortlisting and Selection of Candidates

Usually, every candidate will be interviewed. However, where the number of applications exceeds five, a short list of interview candidates may be compiled. The short list shall include three primary candidates and two secondary candidates. Only those applicants who have been short listed will be contacted. The three primary candidates will be interviewed. The two secondary candidates may be interviewed when necessary. The candidates to be interviewed shall be notified no less than one week (or 5 business days) before the interview time.

Each member of the Hiring Committee shall review all applications and rank order the applicants using the guidelines of the TSSU Hiring Policy and the qualifications listed in the job posting.

The rank ordered lists will be reviewed by the whole Hiring Committee and a short list will be compiled using a consensus model.

Between the deadline for the job applications and the set-up of interviews with short listed candidates, the time period will be no longer than three weeks.

If possible, all interviewees shall be interviewed within one day. Every member of the Hiring Committee shall participate in both the interview and the selection. The selection of candidates shall be based on both the application package and the interview. The selection results shall be produced within one week after the interview.

After the selection, the Hiring Committee shall submit a brief hiring report to both the Executive and the General Membership. The selection results shall be ratified by the General Membership meeting before released to the applicants. At least one backup candidate shall be suggested for the position in the event of the best candidate's refusal to take the job.

Cooperating with TSSU Coordinator, the Hiring Committee shall produce and send an offering letter signed by the chair of the Hiring Committee and a contract signed by TSSU Chair or Secretary to the selected candidate.

Adjudication of Conflict of Interest

Where disputes or questions arise regarding conflict of interest in the Hiring Committee, the matter shall be referred to the Dispute Resolution Panel to be struck according to the TSSU Dispute Resolution Policy.

A conflict of interest includes, but is not limited to, the situations described in the TSSU By-Laws, Section II, R: Guidelines for Conduct of Elected Officials. For example, a close on-going relationship between a member of the Hiring Committee and an applicant would be considered a conflict of interest.

Issuing of Keys Policy

Salaried officers and Executive members shall be the only members issued keys as a standard procedure. Staff persons shall also be issued keys. Upon the election of a new Executive a key requisition shall be made out for keys by the Coordinator. The payment of the deposit shall be the responsibility of the person who will be in possession of the keys. Upon the end of the Executive's term, or the termination of the staff person's employment, that Executive or staff person's final paycheque or stipend will be held until proof has been provided to the Coordinator that the key(s) has been returned.

If a member has been issued a key after completion of a formal key request through the Executive Committee, that member is required to pay the key deposit. Upon the end of the member's term, their stipend will be held until proof has been provided to the Coordinator that the key(s) has been returned.

It will be the responsibility of the Coordinator to keep track of who has been issued keys and whether or not the keys have been returned.

Office Closure Policy

The TSSU Offices will be closed if for any reason Simon Fraser University is declared closed to the public. The TSSU Offices will also be closed if one or more of the Salaried Officers, taking into account one or more of the listed “Indicators of Risk” feels that their safety is threatened.

Indicators of Risk:

- busses not running due to issues of safety,
- severe weather or weather warnings,
- relevant road closures due to weather,
- environmental issues or factors such as (but not limited to) painting, taring of the roof, spilled chemicals, excessive noise, and ventilation issues,
- other situations that could pose a threat to a person or persons in the office.

If a Salaried Officer is not in the office and determines that the office should be closed, both offices shall be phoned and a message left on the voice mail indicating that they won’t be in due to issues of risk. If a Salaried Officer is in the office and needs to close the office, a note shall be left on the door indicating that the office is closed.

Ratified June 13, 2001

Office Use Policy

It should be first pointed out that the office resources are reserved primarily for activities directly related to TSSU business. TSSU resources are limited, and it is often difficult to accommodate all members' requests for use of the computer, photocopier or other resources within the offices. It should also be made clear that the use of the union office, as well as the use of the resources within, is to be used first and foremost to conduct the daily activities of the union.

Those wishing to use the offices must inform the salaried officers when they would like to use the facilities, and together they can establish a convenient time for office use that will not impede the ability of the salaried officers to accomplish their work.

If committee members require the use of the office and its resources on a regular basis outside of regular office hours for union business (e.g. committee research) they are required to make a formal request to the Executive Committee outlining reasons why they should have a key to the office. The final decision for issuing of keys shall be made by the Executive Committee.

Committee members who wish to use the offices must use the sign in/out book available in each of the offices. Members using the office who are not executive members must identify themselves as such, and keep the door of the office closed unless an executive is present.

Personal Information Operational Policy

The TSSU is committed to protecting the privacy, confidentiality, accuracy and security of personal information collected to use and retain in the course of conducting our trade union duties.

The following policy has been developed to ensure that TSSU operational practices concerning the collection, use, disclosure and protection of personal information meets the requirements of the *British Columbia – Personal Information Protection Act*.

Updated versions of the *TSSU Personal Information Operational Policy* will be posted on the TSSU website at www.tssu.ca. Copies are also available from the TSSU offices, located in AQ5129 and 5130 at Simon Fraser University.

The purpose of the act is to govern the collection, use and disclosure of personal information by organizations in a manner that recognizes both the right of individuals to protect their personal information and the need of organizations to collect, use or disclose personal information for purposes that a **reasonable** person would consider appropriate under the circumstances.

What is Personal Information?

The act defines “personal information” as information about an identifiable individual and includes employee personal information but does not include the name, business contact information or work product information of an employee or organization.

What Information is the TSSU Responsible for Protecting?

The TSSU is responsible for protecting personal information in its possession including personal information that has been received from a third party (e.g. SFU Human Resources) or personal information that may not be in the custody of the TSSU but which has been transferred to a third party.

Collecting, Using and Disclosing Personal Information

The TSSU collects personal information in order to:

- maintain a complete record of membership in the union
- maintain communication with members and respond to their enquiries
- investigate and settle grievances, appeals and claims
- collect and manage dues and assessments
- provide notification of elections, referendums and strike votes
- assist the union in representing its members with respect to employment under our collective agreements
- verify eligibility for strike pay and benefits
- provide information about union membership programs and benefits
- administer the business of the union such as correspondence, research (e.g. membership surveys), collective agreement negotiations and working with other unions and related organizations, process stipends, salaries and other financial transactions
- provide web information services such as email bulletins 45

Personal information may be collected, used or disclosed for any of these identified purposes set out above. If personal information is needed for any purpose other than those set out above, the TSSU will not use or disclose it without obtaining additional consent.

How does the Union Gather Personal Information?

The collection, use and disclosure of information depends on gathering information from the following sources:

- employee lists and copies of contracts supplied by SFU Human Resources
- membership applications
- grievance, appeal or claim forms
- individual's interactions with the union – for example, email, correspondence and telephone
- communications with labour, student and other related organizations

Protection of Personal Information

In order to protect personal information in the union's possession or control, the TSSU has made reasonable security arrangements to protect personal information such as:

- access to personal information is limited to selected employees, volunteers and officers who require access to the information in the performance of their jobs or duties
- security safeguards are in place to prevent unauthorized access on computer systems
- the union will not collect or disclose personal information for purposes other than what has been listed in this operational policy
- the union will do its best to ensure that personal information is accurate and current
- as a matter of course any membership lists or information will not print a member's social insurance or employee number(s) unless a specific need for this information to be included has been identified and measures are being followed to ensure that there is no unauthorized or inappropriate distribution of this information

Elected officers, staff or volunteers found to be abusing personal information can be subject to disciplinary procedures outlined in the TSSU bylaws

How do Individuals Access their Personal Information?

Requests should be addressed to the **TSSU Coordinator**

Address: Teaching Support Staff Union

AQ 5129/5130

8888 University Way Simon Fraser University Burnaby, BC, V5A 1S6

E-mail: tssu@sfu.ca

Email subject heading should read **ATTN: Coordinator**

All requests should state as specifically as possible what information you are requesting. Responses to such requests will be made as soon as possible, usually within thirty (30) days. If for some reason the Coordinator is unable to respond within this timeline then the inquirer will be advised.

There may be some types of information the union is prohibited from providing, such as information about another individual that cannot be separated from your information or information that cannot be disclosed for legal reasons.

The TSSU strives to ensure that the personal information we have on file is accurate and as up-to-date as necessary for the identified purposes for which it is being used. Anyone who is aware of inaccurate personal information in the union's possession should contact the Coordinator so that steps can be taken to correct the information.

Can People Decline to Have their Personal Information Collected, Used or Disclosed?

Yes. Anyone including members may notify the union that they do not wish to have their personal information collected, used or disclosed and the union must adhere to these requests unless doing so would frustrate the union's ability to fulfill a legal obligation. However, when a member declines to have their personal information collected, used or disclosed, this may restrict the union's ability to represent their interests. The member will be informed if this is the case.

Filing a Complaint

Any complaint relating to this *Personal Information Operational Policy* or any of the procedures should be forwarded to the attention of the TSSU Coordinator. The Coordinator will investigate the complaint and inform the union and the complainant of the necessary steps to resolve the issue. This may include amending the operational policy and changing union practices.

If the union is not able to resolve a complaint or if a complainant is unsatisfied with the resolution or has any other concerns about the TSSU's collection, use and disclosure of personal information the complainant may contact the Office of the Provincial Privacy Commissioner. The TSSU Coordinator will provide this contact information upon request.

SALARIED OFFICERS (SOs) BENEFITS POLICY

Preamble

1. This policy represents the conditions of employment for the Salaried Officers (SOs) of the Teaching Support Staff Union (TSSU).
2. Any Benefits that the membership has through their Collective Agreement also will be given to the SOs.
3. As per Union *By-Law* K.7, hours of work rates of pay and benefits for SOs shall be determined by the general membership. However, in order that the Union is engaging in fair labour practices, once an SO has accepted terms of employment – assumed their elected position – roll backs of salary, benefits, or hours allotted, cannot take effect until the end of the affected SO's one year term. Remuneration and paid hours of work can increase at any point in the SO's term to reflect increases in workload or other changing conditions. However, in no case shall rates of pay for SOs exceed the highest rate of pay for TSSU members.

Section 1 – Job Description

There are four (4) elected officials on salary in the TSSU: Chief Steward I, Chief Steward II, Coordinator, and Organizer. The job descriptions for each of the salaried elected officials are contained in the *By-Laws* G.4, 6, 7 and 9 of the Union. The Union recognizes the changes, which can occur in the details of the job descriptions depending upon the focus of the people elected for the various positions and the composition of the Executive at any one time.

Section 2 – Benefits

All benefits for the SOs of the Union, in past practice, follow those, which are included in the Collective Agreement for the Union membership. The benefits listed below are benefits, which are either not explicitly included in the Collective Agreement, or need clarification for the particulars of the SO's job. Each benefit is of importance to the working context of the SOs.

A Transportation

The SO will be paid the equivalent of the lowest cost parking pass on Burnaby Mountain Campus for each semester in which the SO holds office. This money may also be used towards other transportation costs such as a bus pass.

In the event that an outgoing SO's parking pass has expired or will expire during the training period, the outgoing SO will be paid for Visitor's parking for not more than two weeks during the period the SO is training an incoming SO. However, requests for parking benefits other than the above will be assessed on a case by case basis by the Union Executive.

B Medical

1. Upon proof of premium payment, the Union will pay the same percentage for the Medical Service Plan (MSP) and Extended Health Benefit (EHB) premiums for the SO and their dependents as the University Administration pays for TSSU members holding an appointment.

As per Article XXV.A.2 of the *Collective Agreement* from May 1, 2001 to April 30, 2004, the University Administration will pay one hundred (100) percent of the MSP and seventy five (75) percent of the EHB. Percentages are subject to change if they are renegotiated in the *Collective Agreement*.

2. The Union will pay the same percentage of the cost for an alternative insurance carrier if the SO is not eligible for MSP, as the University Administration pays for non-MSP eligible TSSU members holding an appointment [as per Article XXV A.4.,CA]

SOs not eligible for MSP may elect to obtain coverage for themselves and eligible dependents under the medical and hospital insurance plan operated by the Traveller's Insurance Company or any other carrier.

Upon proof of premium payment, the Union will reimburse the SO the equivalent of fifty (50) percent of the premium to a maximum value as established by the University and the Union in Article XXV, A.4 of the *Collective Agreement*. This maximum value is equal to fifty (50) percent of the Traveller's Insurance Company premium if it were to cover the SO and their dependents during their period of employment or until the SO becomes eligible for MSP, whichever is the shorter. Percentages and maximum payments are subject to change if they are renegotiated in the *Collective Agreement*.

C Dental Plan

1. Upon proof of premium payment the Union will reimburse the SO's for dental premiums following the Pacific Blue Cross Personal Dental Plan reimbursement schedule established between the University and the Union in Article XXVM.1. of the *Collective Agreement*
\$11.35 per month for single coverage,
\$22.70 per month for couple coverage, or
\$34.50 per month for family coverage,
for every month of the SO's appointment for which the Officer was enrolled in a dental plan. Payment rates are subject to change if they are renegotiated in the *Collective Agreement*.
2. SOs may choose an insurance provider other than Pacific Blue Cross, however, the SO will only be reimbursed according to the Pacific Blue Cross Rates set in the *Collective Agreement*.

D Childcare

Upon proof of payment, an SO with children (under twelve [12] years of age) will be paid fifty percent (50%) of monthly childcare expenses up to a maximum of three hundred dollars (\$300) per child per month.

E Sick Leave

During their appointment the SO is entitled to access up to one (1) month of paid sick leave in accordance with Article XXV.B., CA).

In the event that an SO is unable, through illness or other temporary disability, to perform their duties, the SO shall inform the TSSU office as soon as possible. Normally, medical documentation is not required for short-term absences. The Union Executive may ask for medical documentation for absences. The Union Executive may ask for medical documentation for absences of more than three (3) days where the employee has scheduled duties. Medical documentation may also be requested for any absence if the Union Executive believes that there is an excessive use of sick leave or if sick leave is being abused.

The SO's remuneration and benefit coverage will continue while they are off sick for one (1) month or until the end of their appointment, whichever period is shorter. For absences extending more than one (1) month, the SO's benefits will continue until the end of their term of appointment.

F Maternity and Parental Leave

1. Birth Mother

In regards to length of maternity leave, a pregnant SO of the TSSU shall be entitled to up to eighteen (18) consecutive weeks of maternity leave and up to thirty-five (35) weeks of parental leave, without pay.

If the birth mother has not taken maternity leave, they are eligible for up to thirty- seven (37) consecutive weeks of parental leave, without pay. The parental leave must immediately follow the maternity leave unless they and the Executive Committee of the TSSU agree otherwise.

In the event the birth mother dies or is totally disabled, the remaining parent of the child shall be entitled to other maternity and parental leave without pay.

2. Birth Father or Adoptive Parent

An SO of the TSSU who is the birth father, the adoptive father, or the adoptive mother shall be entitled up to thirty-seven (37) consecutive weeks of parental leave without pay. The SO shall commence within fifty-two (52) weeks of the child's birth or the date the child comes within that SO's care and custody.

3. Extensions – Special Circumstances

An SO of the TSSU shall be entitled to extend the maternity leave by up to an additional six (6) consecutive weeks where a physician certifies the SO is unable to return to work for medical reason related to the birth, provided however, that in no case shall the combined maternity and parental leave exceed fifty-five (55) consecutive weeks following the commencement of such leave.

An SO is entitled to extend the parental leave by up to an additional five (5) weeks leave without pay where the child is at least six (6) months of age before coming into the SO's care and custody and if certified by medical practitioner or the agency that placed the

child that an additional period of parental care is required because the child suffers from a physical, psychological or emotional condition.

4. Notice Requirements and Commencement of Leave

An SO of the TSSU who requests parental leave for the adoption or caring of a child shall be required to provide proof to the Union Executive of adoption or birth of the child.

An SO shall provide written notice, at least four (4) weeks in advance of the intended commencement date of the maternity and/or parental leave. (In the case of the adoption of a child, the SO shall provide as much notice as possible.)

The SO who has been granted maternity or parental leave must provide four (4) weeks notice in writing of the date the SO intends to return to work.

An SO who wishes to return to work within six (6) weeks following the actual date of birth may be required to provide a certificate from a medical practitioner stating the SO is able to return to work.

Where a pregnant SO gives birth before requesting maternity leave or before commencing maternity leave, the Officer's maternity leave will be deemed to have started on the date the Officer gave birth.

5. Return to Work

On resuming employment from maternity or parental leave, the SO shall be reinstated in all respects in the position previously occupied by the SO.

This section (5) does not apply in the event that the SO's term of office has expired.

6. MSP Coverage

While an SO is on maternity or parental leave MSP coverage shall be maintained by the union.

G Family Care Family Leave

An SO of the TSSU is entitled to five (5) days of paid family leave per term of office to meet the responsibilities related to the care, health, or education of a child in the SO's care or for the health of any other member of that SO's immediate family.

H Compassionate Leave

An SO of the TSSU may be granted up to five (5) days paid leave per term of office in the event of the death or serious illness striking a close family member or friend of the SO.

I Court Appearances

TSSU shall grant paid leave to any SO called upon to perform jury duty, or required by subpoena to appear in Court. The SO shall inform the Union Executive as soon as the SO is advised of such requirement. The SO shall pay to TSSU any honoraria, other than expenses, paid to that SO by the Crown for those times when the SO had scheduled working hours.

J Vacation Time and Pay

The SO will receive three (3) weeks of paid vacation time during that SO's term in office at the rate of one (1) week per semester, which must be fully exhausted before the end of the yearly term. It will be expected that the Officer will consult with the Executive Committee as to the time(s) chosen with sufficient notice, so that any needed arrangements can be made for employee's period of vacation.

Statutory and University holidays and University closures are not considered part of the vacation period.

The SOs vacation must be fully used up before the end of each yearly term. Furthermore, the unutilized vacation time will not be paid out except under extraordinary circumstances, such as when the union is in bargaining, with the approval of the General Membership.

The paid statutory and University holidays are not considered as vacation days.

Section 3 – Working Conditions

The working conditions listed below are working conditions, which are not explicitly included in the Collective Agreement. Each working condition is of importance to the working context of the SOs.

A Hours of Work

Under normal circumstances, the Organizer, Chief Steward I and the Coordinator are allotted twenty five (25) working hours per week, forty nine (49) weeks per year (1225 hours annually); Chief Steward II is allotted fifteen (15) working hours per week, forty nine (49) weeks per year (735 hours annually).

The actual work schedule shall be determined in consultation with the other SOs and the Union Executive, taking into account the needs of the Union and of the SO in question, where possible. Each SO will be responsible for publicly posting a schedule of regular work hours for each semester during which the SO is employed. The hours of work should fall within the normal business hours of the University.

It is the responsibility of each SO to monitor the number of hours the SO has worked over the course of a given day and/or pay period. This allows for flexibility in work schedules, so that the fluctuations in work-load can be recognized and appropriately dealt with. SOs will be responsible for making up missed hours or compensating for extra hours accumulated. SOs shall be allowed to accumulate a reasonable excess or deficit of hours if said excess or deficit will be corrected within a reasonable period of time. However, each SO is expected to notify the Executive Committee without delay of any excess or deficit over ten (10) hours.

If a reorganization of hours requires a Salaried Officer (SO) to be absent from the officer for five (5) or more consecutive business days, the following procedure will be followed:

- 1) Salaried Officer must notify executive within a minimum of ten (10) business days in advance, if possible.
- 2) At the next executive meeting (or a special executive meeting if no executive meeting is scheduled within the ten (10) days) the Salaried Officer will present a plan for the reorganization.
- 3) Every effort will be made to come to a mutual agreement about the reorganization.
- 4) If mutual agreement cannot be reached, the matter will be put to a vote in the executive. In this case, the dispute and plan for reorganization will be presented objectively to the membership at the next General Membership meeting.

SOs are generally expected to rectify excesses in hours worked by taking paid vacation at a time mutually acceptable to the SO and the Union Executive, where possible.

Any other workload concerns, including a request for a workload review, should be brought to the attention of the Union Executive without delay.

B Work Breaks

Each SO will receive a thirty (30) minute eating break for every five (5) hours worked. Another thirty (30) minutes will be set aside for the SO to have two fifteen (15) minute breaks during each shift. It will be the SO's responsibility to delegate how this time is distributed during the work day. An SO may choose not to take these breaks, as workload requires.

These breaks shall be paid in cases where the SO is required to be in the office (*e.g.* to answer telephone calls) during the allotted break time.

C Optional Extra Hours

It is recognized by the Union that during certain times of the year, individual SO positions require work done above the regular assigned weekly hours. Furthermore, the Union recognizes that these required times of extra work can change.

When an SO is absent for a period of one week or more, the remaining SOs may each take up to five (5) hours per week to compensate for the extra work required of them.

During the Summer (May to August) Semester, the Coordinator may take up to fifteen (15) extra hours to put towards the creation, design, and layout of the TSSU Logbook.

In all three semesters, the Coordinator may make up to fifteen (15) extra hours for the processing of contracts. Likewise, the Organizer may, in these semesters, take up to ten (10) extra hours in order to prepare for and attend Department Orientations and TA/TM Day.

During each semester, each Chief Steward may take up to ten (10) extra hours in order to deal with arbitrations. If time permits, the Chief Stewards may also assist with the processing of contracts to reduce excess workload on the Coordinator.

Should one or more of the SO positions either become vacant or be staffed by a Stipended Officer or other member, the reassigned duties and extra hours of work shall be determined by the Executive in accordance with *By-Law* G.9.

Other than as stated above, the SOs will not be eligible for any compensation for extra hours of work during each week, unless approved by the Executive committee.

D Issues Pertaining to Contract Negotiations, Strikes and Lockouts

In the event of a strike by or lockout of TSSU members, SOs will be expected to report to work as usual. Should access to the Union Officers be blocked by the University as a result of job action or lockout, the revised duties of the SOs will be determined by the Executive. SOs will continue to receive their normal pay during such periods (*c.f.* motion passed at the GM of January 29th, 2002).

Extra hours worked by SOs during periods of strike or lockout will be compensated according to the Contract Committee Stipend schedule.

E Job Training

During a transitional period where newly elected SOs take office as per *By-Law* F.4, there will be a two week training period for the incoming Officer. The outgoing SO will conduct on the job training during this period. SOs will be expected to provide this training and to write a comprehensive exit report as their final tasks as an elected SO of the Union. Both the incoming and the outgoing SOs will be paid during this training period.

Section 4 – Termination of Office

- 1) If the SO terminates their employment, then that SO shall provide written notice at least two weeks in advance, unless there are extenuating circumstances.
- 2) The Union can terminate the elected SO's employment through the process of recall. Any SO may be recalled by referendum ballot of the TSSU membership, according to the process detailed in TSSU *By-Law* I.2.
- 3) Compensation Eligibility

An SO who is terminated by the Union is eligible for compensation for length of service based on the following formula:

- after three (3) months consecutive employment, one (1) week's pay.
- after one (1) full term of office, two (2) weeks pay.

A week's pay is calculated by totaling the SO's wages, excluding overtime, earned in the last 8 weeks in which the SO worked normal hours, and dividing this amount by 8. Annual vacation pay is payable on this compensation.

TSSU is not required to pay compensation on termination if:

- the SO has quit
- the SO has not completed 3 months of consecutive employment
- the SO was dismissed for just cause
- the Union has given an SO advance written notice of successful recall equal to the number of the week's pay for which the SO is eligible.

TSSU may give an SO a combination of recall notice and compensation equal to the number of week's pay for which the employee is eligible.

Section 5 – Employment Conflict and Resolution

In the case of employment conflict, and its resolution, the issues will be taken to the Internal Relations Committee **without delay**. The Internal Relations Committee shall investigate the matter and may invoke the Dispute Resolution Policy. The approach to deal with labour conflict is based on mediation.

Section 6 – Rates of Pay

A Rates of Pay

The pay of the elected SO should not exceed that of the highest rate of pay of membership. Any approvals for retroactive pay, or overtime, need to be passed by the General Membership at one of the monthly meetings. The past practice of the Union has been to calculate the SO's rate of pay as a mean between the rates of pay of a GTA 1 and GTA 2 plus \$0.40/hour in lieu of pension and RRSP. The formula is as follows, Hours Worked = $\left[\frac{\{(\text{BU GTA 1} + \text{Scholarship GTA 1} + \text{GTA 2} + \text{Scholarship GTA 2}) / 42\}}{2} \right] + 0.40$.

In addition, the past practice has been to give the SO any pay increases that the membership receive, such that there is an equivalency between the membership's and the SO's amount of pay increases.

B Statutory and University Holidays

There are nine (9) statutory holidays in BC: New Year's Day, Good Friday, Victoria Day, Canada Day, British Columbia Day, Labour Day, Thanksgiving Day, Remembrance Day, and Christmas Day. In addition to these statutory holidays, the University designates Boxing Day and Easter Monday as holidays. The TSSU also recognizes May Day (May 1st) as a holiday. The paid statutory and University holidays are not considered as vacation days.

C Additional Religious Holidays

Any SOs who wish to observe additional religious holidays will be given leave of absence without pay.

D University Closure

Should the University, or the area of the University containing the Union Offices, be officially declared temporarily closed due to environmental conditions, utility disruptions, road conditions, “acts of God”, or other reasons beyond the control of the SOs, the SOs working on campus will not be expected to remain on campus during the period of closure, and their salaries shall not have deductions made as a result of that closure.

University closures are not considered as vacation days.

Sessional Seniority Assertion Policy

Our collective agreement language places no limit on the number of courses for which a Sessional Instructor may assert seniority. In recognition of bargaining history where TSSU's Contract Committee believed a limit would be necessary, and the need for Sessional Instructors to be able to acquire sufficient work to earn a living wage equivalent salary, the TSSU membership has decided the following:

1. TSSU shall not pursue a selection grievance where a Sessional Instructor has already asserted seniority and received an appointment for 4 courses in a semester.
2. TSSU shall not pursue a selection grievance where a Sessional Instructor has already asserted seniority and received an appointment for 8 courses in an academic year (Fall to Summer).

This policy does not and shall not limit the ability of Sessional Instructors to apply for an unlimited number of courses. This policy only limits the ability of TSSU to pursue a selection grievance.

Sessional Seniority List Tie-Breaking Policy

Each semester the generation of a new seniority list for Sessional Instructors results in a new set of ties, where multiple instructors have taught the same number of courses. The following procedure shall be used to create an order among the Sessional Instructors involved in the tie:

1. The Sessional Instructors shall be ordered with those with the earliest first semester taught at SFU as a Sessional Instructor coming first. For these purposes, this shall be the actual first semester taught as a Sessional, regardless of breaks in service.
2. If any ties remain, the Sessional Instructors shall be ordered by creation of an ordered list using a hardware random number generator or pseudo-random number generator of statistical quality equivalent to or exceeding that of the Mersenne Twister algorithm. In the case of a pseudo-random number generator the seed shall be determined by a process of chance yielding at least 20 binary digits.

The tie-breaking procedure shall be on the public calendar, and open to any TSSU member to attend. Any computer code or algorithm used to break ties must be available for inspection, compilation, testing and distribution by any TSSU member.

Stipend Policy

Preamble

The TSSU operates thanks to the hard work and dedication of its volunteers who are often students struggling to make ends meet. In recognition of the volunteer work and financial hardships of many TSSU members, members who volunteer their time to the Union are eligible to apply for a small stipend, as outlined below. The TSSU also recognizes that the value of this stipend often does not reflect the amount of work done by a volunteer, and, therefore, except in cases of negligence or gross misconduct, stipends will be granted automatically.

Process for Executive Stipends

At an Executive meeting close to the end of the semester, stipended Executive members shall submit a written report for discussion and constructive feedback. The report should summarize completed tasks, duties and projects as well as any work not completed, and identify both successful methods of carrying out duties and problems to watch out for. The report should also identify any union procedures or structures which make it difficult for the member to carry out assigned duties and, if possible, make recommendations for change.

All non-SO Executive members may claim a pro-rated stipend for each month of their term. If a non-SO Executive member has attended an executive meeting during the month, or provided regrets to that meeting with an accompanying report summarizing completed tasks, duties and projects as well as any work not completed, then the stipend request for that month will normally be granted automatically.

Upon submission of an exit report and updated institutional memory document and completion of training of the new Executive member, an outgoing non-SO Executive member may claim up to one month's stipend for the month following the end of their term.

Unless otherwise specified, the non-SO executive stipends are:

- Treasurer: \$1120 per semester or \$280/ month.
- All other non-SO Executive positions: \$360 / semester or \$90 / month.

Stipend requests for any one semester must be submitted by the end of the first week of the following semester. However, if an Executive member is not appropriately notified, an exception to the time limit will be granted.

Process for Commissioner Stipends

At the beginning of each semester, non-Executive Commissioners will attend an executive meeting to identify and discuss tasks, projects, and goals for the semester. Executive members should offer general feedback in the form of suggestions for projects, advice, etc., as well as assistance in identifying a suitable or 'doable' semesterly workload. Throughout the semester, Commissioners can expect ongoing support and feedback from the Organizer and the Coordinator.

At an Executive meeting close to the end of the semester, Commissioners shall submit a written report for discussion and constructive feedback. The report should summarize completed tasks,

duties and projects as well as any work not completed, and identify both successful methods of carrying out projects and problems to watch out for. The report should also identify union procedures or structures which make it difficult for Commissioners to successfully complete projects and, if possible, make recommendations for change.

Subsequent to submitting and getting feedback on their reports, Commissioners may privately request all or a portion of their semesterly stipend from the Coordinator. Stipend requests will normally be granted automatically. Stipend requests for any one semester must be submitted by the end of the first week of the following semester; however, if a Commissioner is not appropriately notified, an exception to the time limit will be granted.

Commissioners are encouraged to submit an appropriately revised version of their report as an article for the TSSU Newsletter. Commissioners are expected to submit an Exit Report at the completion of their term of office instead of the usual semesterly report. The Exit Report should resemble the semesterly report but cover the entire term of office, with special attention to recommendations.

Process for Committee Stipends

All members of Union committees and TSSU representatives on external committees must be ratified at a General Membership meeting. Members may join committees and be ratified retroactively at the next General Membership meeting. These committee members shall be eligible for a semesterly stipend up to a maximum of \$150, with the following exception: If the work of the committee falls within the regular duties of an Executive member, they shall not be eligible for a committee stipend. However, if an Executive member sits on a committee whose work falls outside of their regular duties as specified in the By-laws, that Executive member shall be eligible for a committee stipend.

The stipend for the Internal Relations Committee includes \$50 for each additional meeting after the first two in a given semester.

Near the end of the semester, the Salaried Officer primarily responsible for the committee shall notify committee members to submit stipend requests. Committee members shall submit a written request for their stipend no later than the first week of the following semester which includes a short summary of their activities/duties on the committee for the semester and specifies the dollar amount of the stipend requested, up to the maximum. If a committee member is not appropriately notified, an exception to the time limit will be granted. Stipend requests will normally be granted automatically, in the case of questionable circumstances, the Coordinator will consult with the Organizer, Chief Stewards or Commissioner.

Process for Steward Stipends

All departmental Stewards who have been ratified by the members in their own department shall be eligible for a semesterly stipend up to a maximum of \$250. Near the end of the semester, the Chief Steward shall notify stewards to submit stipend requests. Stewards shall submit a written request for their stipend no later than the first week of the following semester which includes a short summary of their activities/duties as a Steward for the semester and specifies the dollar amount of the stipend requested, up to the maximum. If a Steward is not appropriately notified, an exception to the time limit will be granted. Stipend requests will normally be granted

automatically, in the case of questionable circumstances, the Coordinator will consult with the Organizer or Chief Stewards.

Stipending Sub-Committees & Short Term Committees

Sub-committees and AD-HOC committees may form at any time. However, in the event that the amount of work associated with sub/AD-HOC committees becomes equivalent to a general committee, the members must be ratified by the general membership. Members may join committees and be ratified retroactively at the next General Membership meeting. Once ratified, the sub/ADHOC committee members shall have the same responsibilities and rights as a general committee member.

Stipend Policy: Contract Committee, MMC, and Solidarity & Social Justice Commissioner

Up to 12 hours a month will be paid a monthly stipend of up to \$150/month, and each hour thereafter per month will be paid at the rate of \$20 per hour, up to a total of \$1200 per month. (July 15, 2009 GM) Monthly totals will not be allowed to 'roll over' into the next month's totals. Members who participate for fifteen or less hours per semester will be paid up to \$150, the current standard committee rate. The Chief Stewards or a Contract Committee/MMC Member/Solidarity & Social Justice Committee Member appointed by the Committee will verify that work submitted by the Members is appropriate, within reason, for the amount of hours they claim to have worked. For the purposes of stipend payment, the Commissioner of the Committee shall be entitled to the standard stipend for the MMC or Contract Committee per this policy.

Notwithstanding the aforementioned limits, the Chief Stewards will be paid at the current Contract Committee/MMC rate for any Contract Committee work done outside their regular duties, if that work takes up time beyond the regularly salaried hours of twenty-five per week for Chief Steward I or fifteen per week for Chief Steward II.

Childcare Fund Background and Terms of Reference

1. Background

In 2016, the TSSU Childcare Fund was boosted with a substantial settlement from an outstanding grievance with SFU. In Spring 2016, the TSSU membership decided that initially much of the settlement money should be disbursed with a review of the fund after 2 semesters. October 2016 the scheduled review identified that changes were necessary to balance the fund.

The response to the new fund has been overwhelming; in three semesters we received more applicants to the fund than the total over the previous 10 years. Balancing the fund will require substantial change; the current rate of disbursement is \$350,000 per year, while only \$55,800 is replaced into the fund. The current surplus in the fund is sufficient to last until the Spring 2018 semester; however, the making decisions earlier will allow us time to gradually implement changes.

Multiple surveys of the membership have been conducted with no clear preferred path identified for bringing the fund into balance. If a change is not made, then the policy outlines a system of prorating the fund to only disburse \$20,000 in the Fall semester, \$15,000 in the Spring semester and \$15,000 in the summer semester.

The Childcare Working Group has drafted proposal with the goal of completing a change prior to Summer 2017 applications. The drafted proposal reduces the payout for currently employed TSSU members to 50% of the current rate and those not currently employed to 25% of the current rate. This proposal is unlikely to completely balance the fund, but should delay the imposition of the pro-rating schedule until the expiry of the current Collective Agreement on April 30, 2019.

2. TSSU Childcare Fund Terms of Reference

All TSSU Members as defined by the TSSU bylaws with children under the age of 13, or those with children requiring additional care due to a physical or developmental disability up to the age of 18, are eligible to apply.

Funds will be provided ~~for one month of childcare~~ based on prevailing SFU Child Care Society (CCS) rates according to the age of each child on the first day of the semester. Funds will be allocated according to the following tiers (corresponding to the SFU Child Care Society fee structure): 0-36 months, 3-5 years, 5-12 years. The SFU CCS UniverCity 0-36 month and 3-5 year programmes will be used as the basis for those respective tiers. In the case of children with special needs, including those over the age of 13 who require funds will be provided based on the 0 – 36 month rate.

For greater clarity, the 0-36 month rate applies from birth until the date beyond the child's third birthday, the 3-5 year rate applies from the child's 3rd birthday until the day before their 5th birthday and the 5-12 year rate from their 5th birthday until the day before their 13th birthday.

Effective for the Summer 2017 disbursement rates shall be:

<u>Classification</u>	<u>Rate</u>
<u>TSSU member employed in a position covered by the Collective Agreement at any point during the semester</u>	<u>50% of one month's CCS rate (effectively 2 weeks of childcare)</u>
<u>TSSU member not employed in a position covered by the Collective Agreement during the semester</u>	<u>25% of one month's CCS rate (effectively 1 week of childcare)</u>

Where there are insufficient funds from the university allocation, or in carryover of accumulated funds, then support will be prorated so that total disbursements do not exceed \$20,000 for the Fall semester, or \$17,500 ~~\$15,000~~ for either of the Spring and Summer semesters.

Supporting documentation shall be one of the following (in PDF or JPG format attached to the application to Financial Aid):

- Canada child tax benefit (CCTB) notice
- Birth certificate
- Passport
- Applicants lacking these documents may present a duly notarized affidavit or sworn statement

Or similar official documentation supporting the existence of the child/children.
